

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool  
Revised October 2020

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

**\*\* In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:

Did you carry forward an underspend from 2019-20 academic year into the current academic year? **YES**

If **YES** you **must** complete the following section

If **NO**, the following section is **not** applicable to you

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.

## Sports Premium Carry-Over

<b>Academic Year: September 2020 to March 2021</b>		<b>Total fund carried over: £2000</b>		<b>Date Updated: 23/06/2021</b>	
What Key indicator(s) are you going to focus on? KI1, 2 and 4.					<b>Total Carry Over Funding:</b> £2000
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>		
Your school focus should be clear how you want to impact on your pupils.	Make sure your actions to achieve are linked to your intentions:	Carry over funding allocated:	Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS & PA have made to pupils re-engagement with school. What has changed?:	Sustainability and suggested next steps and how does this link with the key indicators on which you are focussing this academic year?:	
KI1 & KI2	Central PE staffing costs	£1500	Trust PE staff implemented a variety of online and school based learning for students during school closures. This included live morning PE lessons every day and weekly recorded lessons.	Staff continuing to work for the trust and provide staff across the Link Academy Trust with resources, ideas and training in how to deliver high quality PE.	
KI4 - Give students a wide range of high-quality physical activities.	Resources purchased to allow greater breadth of activities taught within the PE curriculum.	£500	Students experience a greater number of new activities in curriculum PE and extra-curricular clubs. These activities have specialised equipment which has improved the quality of student's learning.	Purchased by the school and new activities have formed part of the new school PE curriculum, which is more varied than previous years.	

Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.	% N/A as swimming provision has been effected by COVID-19 restrictions.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	% N/A as swimming provision has been effected by COVID-19 restrictions.
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	% N/A as swimming provision has been effected by COVID-19 restrictions.
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: £16,900	Date Updated: 23/06/2021	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
